

Red Flag Apps List

These apps are often used for hiding activity, bypassing parental controls, or facilitating anonymous/dangerous contact.

1. Snapchat - disappearing messages
2. Whisper - anonymous secrets
3. Kik - unmoderated chat rooms
4. Discord - hidden group chats
5. Yubo - 'Tinder for teens'
6. Vaulty - hides photos/videos
7. Calculator+ - decoy app for hidden content
8. Omegle (historical risk) - random video chats
9. MeetMe - strangers and dating features
10. Telegram - encrypted, hard to monitor
